Re: Hoosier Pattern Vocational Scholarship - Thank You

Enclosed you will find a 'Thank You' from the recipient of your scholarship. All students are asked to direct their scholarship correspondence through the Adams County Community Foundation (ACCF) in order to protect your privacy and guard confidentiality. Please share this with other members of your committee so all persons involved are aware of this student's gratitude.

Once again, we want to express our 'Thanks' for placing your trust and confidence in the Adams County Community Foundation. Your endowed fund will continue to serve Adams County youth forever and help many deserving students continue their educational pursuits.

If you have any questions, please do not hesitate to contact me.
