WELCOME TO OUR FOURTH ANNUAL

# HOOSIER PATTERN POUR

## JOIN US FRIDAY, SEPTEMBER 18TH AT HOOSIER PATTERN!

The Hoosier Pattern Pour event is on Friday **September 18th**, at Hoosier Pattern's premises in Decatur, IN. This gathering focuses on local artists showing off their skills by creating art using molten iron metal.

### HOW TO CRAFT YOUR MOLDS

#### OPTION ONE — TAKE HOME

For those opting for a hands-on approach, swing by Hoosier Pattern between August 31st and September 18th to pick up their own scratch mold. Each mold is $10 - cash only.

**All molds must be returned to Hoosier Pattern by noon on September 18th**

#### OPTION TWO — WORKSHOP

Join us for our workshop on Thursday, September 17th guided by experienced instructors, from 4PM to 7PM at Hoosier Pattern. Participants will receive training in crafting a 3D-printed sand mold tailored to their project. The workshop fee is $15 - cash only.

### FRIDAY EVENING — POUR

In the evening, participants will see these molds being staged, and around 5PM, the trained staff will pour iron into these molds. These festivities will be open to the public. A food truck and beer & wine will be available for purchase - everyone is welcome!

### WHERE WILL PARTICIPANTS PICK UP THE CASTINGS?

Scratch tiles created through school participation will be returned directly to each participating school for distribution. Members of the public may pick up their completed castings at Hoosier Pattern on September 30.

***HOOSIER PATTERN'S ADDRESS: 906 N. 10TH ST., DECATUR IN***

**Parking Information: Please use the Dayton Street entrance when arriving. Accessible handicap parking is available in the Hoosier Pattern parking lot, accessible from 10th Street.**
